### From the Helm

Well the holidays are upon us and I am just starting to get in the holiday mood. I know 'tis the season when the shorts get packed away for the hopefully mild winter – a very sad, sad time for me. Ah, well that was definitely a lie because as I am typing this before my shift at the Gray Goose, I am still in shorts because it is 69 degrees outside today. Soon I will put my 'Big Boy' pants on Lori - I promise.

Now I will begin Phase I of my as promised 'Thank You Fest.'

My first and foremost gratitude has to go to my wife Lori. For her patience, her understanding, her love and all her help during my terms as your Vice Commodore and Commodore. She truly has guided me through some rough patches and made me see what really matters during the times I was crazed. She made me laugh when I was mad at the 'stupid' things and lent a shoulder when I needed it. You are the best! Secondly, to all the Officers and Board of Governors for great team work, great structure, great direction and foremost, great, great times we had together. I am looking forward to the future of FYC and will look to help in any way I can.

A great amount of thanks has to go to my friend Mike Andre for jumping into the Foghorn post when I asked. His creative spirit and talents are seen not only in the Foghorn but on our website, in our event postings, and in many other areas throughout the Club. Keep an eye out for a new restaurant come early January on Fairfield Avenue called Black Rock Yacht and Athletic Club (BRYAC) that Mike and a buddy are opening. I wish them the best in their new endeavor.

Finally, huge thanks to Nick Noyes for his naming of the new deck 'The Bridge' above the Penfield Room. Nick approached me when I was first asking for a new designation and I misplaced his name. After a few messages both online and in the Foghorn we have reconnected and, as promised, I had to call him out for the help. Again, thanks Nick!

To all FYC Members, have a very happy holiday and even a happier New Year. Please, take time to thank all the FYC employees for their great attention to making all of our FYC experiences spectacular. I really appreciate all the hard work they do. I know they made my job easier. Thanks!

My last article will continue with Phase II.

Sláinte,  
George E. O'Connell

## From the Vice Commodore

The past four years seem to have gone by very fast for me here at FYC. I feel as though it was just yesterday that I took on the task of Rear Commodore. That was a tough position but one which I thoroughly enjoyed, especially meeting so many great members; young and old. This year we have plenty to be thankful for at our Club. All the renovations this year and the past four years have really taken our Club to a new level. Our new Caterer, Lasses, has been another asset to our Club. If you haven't come down for lunch or dinner you are missing a good meal and always a good time.

I would like to thank all of the people who have volunteered for club events, maintenance, and especially the clean up after Irene. I also would like to thank our bar committee for taking inventory on the first Sunday of every month. On a sad note, we lost Frank Pierwola on November 15th. Frank has been on the bar committee for over 25 years serving Fayerweather behind the scenes never asking for anything in return. Frank will truly be missed.

Coming up this month on Saturday, December 17th is Wassail night. This is a night for members only to come down to the Club, bring a pot luck food item and enjoy the camaraderie in preparation for Christmas. I look forward to seeing you between 6:30 and 10pm for a drink of my Wassail punch. The word Wassail comes from German origin, Waes Hael, which means, Be Healthy. There are several interesting recipes for Wassail and hopefully I will be able to provide a tasty one. I hope to see you all on this fun evening.

It has been my privilege to serve as Vice Commodore. I thank Commodore George, Rear Commodore Ben, our Flag Officers, and our BOG for all they have done for our Club. I thank all of our members for your continuing support and wish everyone a Very Merry Christmas and a Happy New Year!

**Jim Sorensen**

## Fleet Captain's Corner

Did you know?

Ryan is about to begin moorings and names should be on each so that there is no dispute in the Spring as to ownership.

Did you know?

We are about to rebuild the 'mast-lifting' procedure and secure the bits and pieces needed to put our masts in the upper locker room?

Did you know?

As in prior years, there is not much for the Fleet Captain to mention at this time since most boats are out and wrapped, and thus I say...see you in January.

## From the Rear Commodore

Thank you to all the members who have come out and supported the recent FYC events at our club, as your participation is truly appreciated. I'm also very grateful to the volunteers who have helped me put these events together. Here are some great upcoming events at our club:

**Sunday December 18 – Children's Christmas Party:** Bring the kids down to meet Santa at FYC, as this is always a great event for the entire family. Food will be available for the kids, face painters, balloon animals and Santa will be delivering each child a present. Each child must have a ticket to receive a present. Tickets (\$15 per child) and sign-up sheets are available now at the FYC bar. Event will be held 12pm – 3pm.

**Saturday December 31 – FYC New Years Party:** Ring in the new year with your fellow FYC members. Great music, wonderful food, champagne toast and lots of unkept resolutions. Ticket are available at the bar for \$15 per person, so mark your calendar for this great event. Food at 7pm and champagne at midnight.

Please contact me if you are interested in volunteering for any of the upcoming events, as I can always use some help. Also, visit our website or Facebook page to view pictures from past events and to find additional information about future events at FYC. Finally, stop me at the bar, send me an email or leave me a note regarding any suggested events you would like to see happen at FYC.
