### Responsibilities of members needing a hoist operator

- 1) Make an appointment at least two days ahead.
- 2) Show up on time of appointment with appropriate help.
- 3) Make sure all rigging is prepared prior to appointment so as to not tie up hoist while others are waiting.
- 4) Clean up area after.
- 5) Operators have the authority to rearrange appointments if found necessary

\* It is not the responsibility of the hoist operator to aid in the cleaning and manipulation of a vessel other than to advise and operate the hoist. All boats must have a current Connecticut registration sticker on the boat to use the hoist.
